—— Who we are

StartupTshirt is the best place for companies to buy quality promotional products that people will actually want to keep.

We help companies create custom promotional products that make your brand stand out.

Take your T-shirt to advance level.

At StartupTshirt, we believe every brand deserves to be worn with pride.

We specialise in creating high-quality custom t-shirts, helping startups, businesses, and creative minds express their identity through stylish, premium apparel. From bold designs to minimalist statements, every piece we produce reflects expert craftsmanship, attention to detail, and a passion for making ideas wearable.

With flexible solutions, competitive pricing, and a commitment to excellence, we make it easy for you to bring your vision to life — one shirt at a time.

Why us? We have full solutions for you.

Your problem solved!

Low Minimum order.

Why buy in bulk? Order as few as 10 t-shirts to get your job started. We understand your needs. Small or large orders, we handle them all.

We are designers.

Our company runs by team of creative talents and designers. We are passion on delivering the high quality design and fresh ideas.

Fast Turnaround.

Just because our products are custom printed, we don't think you should wait for weeks to get your order. We can print your T-shirt on demand and guaranteed delivery date!

Fulfilment and logistics.

You'll no longer have to worry about packing, shipping or storing your products. Let us handle the hassle so you can get back to what you do best, growing your brand.

We advise you on the printing method.

Our professional in-house designers will help and consult on every order we receive to ensure each one is printed to perfection and also value for your money.

High quality t-shirts only.

We partner with reputable t-shirt brand and supplier. Every materials are tested in a few levels of quality check.

Better Pricing.

We offer competitive pricing on bulk orders for your team, business and events.

The T-shirt is marketing's best friend.

Nobody promotes a brand quite like tee.

Custom T-shirts is one of the best strategies as it has no time expiration.

People would wear custom T-shirts for years, which gives your business the opportunity to effectively spread your brand for the long term.

You do not need to be a world famous brand to benefit from promotional T-shirts. Even new businesses have used T-shirts to create awareness of their products, brands, and businesses.

T-shirt Printing for Start-Ups.

Here at Startuptshirt, we are able to offer a service catered towards the needs of modern start-ups. We are offering the best T-shirt printing services and garments personalisation specialises on screen and digital printing.

Why do Startups need a t-shirt?

Simple. It's affordable, effective and creates a tribe of devoted fans and employees who become brand ambassadors everywhere they go in the community. It's a small investment for more business. Every time they wear, automatically promote and expose your brand and business to a new crowd.

Outsource your brand apparel to us.
Let us help with your custom printed merchandise.

From design to fulfillment.

We Design + Print + Pack + Ship = you :)

Your time is too valuable for building your brand. Let us handle the warehousing, picking, packing, and shipping.
We'll spare your time so that you can focus on what you do the best.

SUBLIMATION PRINTING IS TAKING THE T-SHIRT INDUSTRY BY STORM
